MURRAY STATE COLLEGE

SHIELD

1965

## THIS WAS A YEAR . . .

a year of weejuns, madras, and oxford cloth; of knee-socks, formals, and treeings; of over-due library books, football, and night classes at the lake; of Chad Stuart, rain, and Budweiser; of welcomed spring, early curfew, and vacations; of breaks at the Hut, the Jerk, and seven-thirty classes. All this was important, and we savored every moment but 1965 was more than beer and vacations: it was test tubes and conjugations, chalk dust and illegable notes, blue books and bunsen burners, term papers and red-penciled corrections, carbon paper and concerts, maps and field trips, equations and themes, lectures and footnotes, poetry and finals, theories, realities, Plato, Shakespeare, Toynbee, Einstein, and Faulkner.

Since 1923, students have walked these ways. Those students before us knew, as we now know, and as those who follow us will learn, that MSC is more than a college—it is part of the foundation upon which we will build a life.

IN RETROSPECT

As college students, our daily routines are sometimes off-set by long walks—dress-up dates—or friendly discussions. During these moments we become better acquainted with other students and we often learn to understand ourselves more fully. . . . At MSC we find ample opportunity for expressing ourselves by participation in such creative activities as painting, writing, and theater. . . . Through the maturation process we learn to adjust to and become part of accepted patterns of college living. . . . As our college days draw toward their close, we inevitably find ourselves becoming more concerned with our future—yet no matter what path we choose, the knowledge and experience we have obtained at Murray State will afford to us the initiative and foundation necessary to our further development and future life. . . . In retrospective view, we may say—all this was Murray State College in 1965.

# SEEKING VARIETY IN DAILY

# ROUTINES . . .

EXPRESSING OUR

INNERSELVES BY CREATIVITY . . .

CONFORMING TO ESTABLISHED  
COLLEGE PATTERNS . . .

CONCERNING OURSELVES WITH  
OUR FUTURE . . .

ALL THIS IS . . .

MURRAY STATE 1965...

Ajax and a scrub cloth are a necessity for that first day in the dorm.

Unpacking takes a back seat to that all-important first-semester freshman schedule.

Reluctant parents accompany their daughters to meet their "mothers" away from home.

A first stop for many new students is the College Book Store to buy a Murray State parka.

## THE ULTIMATE BEGINNING

1923—one little, two little, three little buildings . . . 1939, 1945, 1956, 1961—1964! Buildings everywhere—old buildings, new buildings, buildings under construction, and sketches still on the architect's board . . . Forty-one years of constant growth have made Murray's expanding campus what it is today, "the South's Most Beautiful Campus." But tomorrow its constantly changing face will be still further modified and even more unrecognizable to old grads. The enrollment has soared from a handful of students at Murray Normal School in 1923 to a college of 4800 students in 1965. Among this year's additions to the physical plant of MSC were the ten-story women's residence, Elizabeth Hall, named for the First Lady of MSC, Mrs. Elizabeth Woods; the new, two-building complex composing the Applied Arts and Science Building; and the Home Economics Annex.

The freshmen were faced with the inevitable bewilderment of registration, ubiquitous lines, mid-term grades, the monsoon season, and the traumatic transfer from the secure shelter of home and parents to the college campus and dorm "mothers," new faces, cafeteria food, self-discipline, and hard work. But as every freshman class before, most of the novice collegiates soon adjusted and met the exciting challenge of college life at Murray State.

A friend's help is welcomed as a student begins the initial task of unloading his car.

Who's in charge here?

## HURRY UP AND WAIT

Confusion and registration are synonymous and never the two shall part . . . IBM and progress have done little to remove the pain and frustration from the unique, curse-provoking process known as registration. In fact, the infinite number of cards and numbers and lines have added to the havoc. No more can the bewildered freshman secure directions and comfort from the sophisticated senior, because he too is in a state of utter

The stamping of the trial schedule card marks the beginning of the ritual of registration.

With apprehension and disbelief, students gaze on as their fees are assessed.

This line leads to the basement of the library where overdue bills are paid, SHIELDS are purchased, Student Organization fees are assessed . . .

Nearing the end of the line, Tommy Taylor appears pleased as he gains admission to the Dean's table.

confusion! Registration is the obstacle course which is a prerequisite to the inner sanctums of the academic community. Anyone who can endure registration with its seemingly endless lines, flurry of cards, closing classes, ump-teen million fees, snarling professors, and leering students selling chances on old term papers, gold-trimmed, pearl-encrusted pogo sticks, or a life-size portrait of Ringo, deserves a medal . . . but the line forms at the rear, Hurry Up and Wait!

Hugging dominates the scene as Alpha Sigma Alpha receives pledges.

Rushees become better acquainted with sorority members through informal activities such as scrapbook gazing.

The main attraction at fraternity smokers is the traditional cigarette girl.

Rousing cheers and pleasing smiles welcome Bob Hawkins into ATO pledgeship.

# RUSH! RUSH! THE GREEKS'

## CALL OF TODAY

From amid the infinite piles of books, papers, and assignments comes the Greek call of today. Its echoes can be heard throughout the world wherever man's love for man exists as a spirit of mutual understanding for the achievement of common goals. Almost as old as our nation, the Greek voice has continued to ring loud and strong on the campuses of most colleges and universities.

The formal rush programs carried on by the Greek organizations at MSC are approximately the same in length and entail similar systems of fraternal salesmanship. Rushees are greeted with a firm handshake and pleasant smile characteristic of active members who have spent weeks in preparation of the rush program.

In spite of a strict quota system placed on sororities and the need for additional fraternal organizations, the Greeks are an integral part of campus life at Murray State.

Rushees were entertained by "The Mexican Hat Dance" at the Tri-Sigma party.

AOII placed second in float competition with "A-Salt the Eagles."

Under new contest rules, Trudy Russell became MSC's first Homecoming Queen.

## FIRST HOMECOMING VICTORY SINCE 1956

The theme seemed to be "yell like hell" as fraternities participated in the "Thoroughbred Spirit" contest.

All the way Big Blue . . . Let's go!—And they did; Murray State's victorious 32nd Homecoming had all the necessary components . . . a beautiful Southern fall day; unleashed enthusiasm and spirit; a great marching band; a "Homecoming Spirit" contest sponsored by the cheerleaders; a parade with floats which were definitely above par and were the result of ingenious ideas, pep pills and no-doz, and much, much work; a lovely Queen; and most important, **VICTORY!** The highlight of the day was the 28-21 win over Tennessee Tech, the first Homecoming victory for the Racers since 1956. There were also open houses and teas for the alumni and the Homecoming Dance to top the day's festivities in grand style.

Simplicity in design and neatness in detail was characterized by ASA's prize-winning float, "Reign Over Tech."

Due to only 24 hours in a day, such necessities as hair drying and studying must be combined.

One of the most appealing study places in the spring is the library steps.

Exhaustion—the plague of the college student.

There's always time for that last-minute cram session before that all-important exam.

Pencil in mouth, the student assumes the middle of the bed to complete her night's study.

Despite the noise and confusion, the basement of the library is a satisfactory place to study.

## VARIATIONS IN STUDY HABITS

"Once upon a midnight dreary, while I pondered, weak and weary, over many a quaint and curious volume of forgotten lore— . . . "with an abundant supply of no-doz, Diet-Rite, cookies—and four term papers, five tests, two book reports, and six classes to prepare for tomorrow . . . It may not be quite that bad, but study is, after all, the primary objective of most college students and few escape the tried and true "burning of the midnight oil." College students learn to survive on a surprisingly few hours of sleep and an amazingly large consumption of colas and No-Doz pills. Most students are too busy "getting an education" to study until late at night when volumes of long "forgotten lore" beckon. Study habits are many and varied but always the central core of the college student's life is that never-ending, often tiring and frustrating, but rewarding endeavor known as Study.

"Angels We Have Heard On High" marks the beginning of the traditional Christmas program by the a cappella choir.

## CHRISTMAS HITS THE CAMPUS

Suddenly it was December and thoughts turned to Christmas—and parties and tinsel-decorated trees and mysterious packages and eggnog and shopping and sending Christmas cards and GOING HOME! 'Twas the season to be jolly and the campus reflected the elated mood with Christmas carols played from the SUB, holiday parties and dances, parties for the underprivileged children, open houses and receptions. Girls living in the dorms were treated to Christmas caroling by the fraternities. There were Christmas trees, decorated doors, and MISTLETOE in the dorms. Even though professors insisted on giving tests during the week before vacation, a minimum of study was done by all as the great day sped closer.

Nan Goheen is presented as the "Ideal Freshman Girl" at her dorm Christmas party.

The appearance of Santa Claus is a hit at Sigma Chi's Orphan Party.

Pi Kappa Alpha helps to promote seasonal spirit at their annual Christmas Open House.

A highlight of the Christmas festivities is Alpha Sigma Alpha's "Mistletoe Ball."

A sorority sister joyfully hugs Andrea Sykes after she has been named Miss Murray State.

Preoccupied with thoughts of electing their campus favorites, students study candidate listings prior to voting.

Entirely engulged in his work, this industrial arts major carefully manipulates the drill press.

Surprised and embarrassed, this student eyes the situation as his pushing the lever back to the left promotes a series of happenings.

Self-determinism and physical strength are exemplified by discus-thrower Bob Bolling as he assumes his familiar pose.

"GO, GO BIG BLUE!" as ATO's whoop it up at the Homecoming game.

"Well, I have never!" appear to be the sentiments of this coed as she is confronted with the prices of the bookstore.

## MSC--AN ABUNDANCE OF EXPRESSIONS

Joy, grief, anticipation, fear, confidence, enthusiasm, nonchalance, nostalgia, laughter, tears, love, hate, disappointment—These are but a few of the myriad modes of expression so intense, yet so fluxuating, in the lives of all collegiates. The experiences of this vast range of emotions and the incidents which elicit them help mold the intricately variable and intelligent young adults who will leave the hallowed halls of Academia to enter the

competitive world of today. College life serves as the last stage of semi-dependence before launching into the demands of responsibility and independence apart from the college campus. One must experience and learn to accept not only love, joy, and laughter, but frustration, disappointment and tears if he is to become a well-balanced, mature adult. This is all an important part of those memorable years known as "college life."

A festive atmosphere prevails at AOII's booth at the Spring Carnival.

## THIS AND THAT

Much interest was generated in the presidential campaign by the appearance of Senator Strom Thurmond on the MSC campus.

Murray State is much like other state colleges of comparable size—MSC students, like those elsewhere, complain about 7:30 classes, rain, cafeteria food, exams, and the administration . . . School spirit is generated for the BIG games . . . the campus is constantly expanding but can not keep up with the ever-increasing influx of students. But MSC has a personality all its own . . . Dr. Lowry . . . the Hut . . . Club 641 . . . Kentucky Lake . . . Colonel Booth . . . the Student Org. Newsletter . . . such a wide variety of architecture . . . Western Kentucky accents . . . no parking space . . . the *Shield* office . . . WNBS . . . "Lightning" Key . . . Committee A . . . a cultural desert . . . red and green tennis courts . . . and of course, College Farm Road.

The pictures on these two pages characterize this distinctive personality.

Adding color and spirit to the football games this fall was Alpha Gamma Rho's runaway goat.

Well-endowed coeds vie for the title of Brigade Sponsor as cadets gaze on.

The faculty and administration headed by Dr. Ralph H. Woods, in his twentieth year as president of Murray State College, furnished the means by which the educational and personal needs of the students were met. MSC is indeed fortunate to be staffed with such experienced and capable personnel.

the faculty and administration

DR. RALPH H. WOODS  
President

## DR. WOODS

DR. RAY MOFIELD  
Assistant to the President

Dr. Ralph H. Woods, serving his twentieth year as President of Murray State College, is a vital organ in the progress of the college. A friendly, understanding manner combined with ability as an administrator and educator makes Dr. Woods an able leader for the future of Murray State College.

Miss Patsy Rowland

Mrs. Charlotte McDougal

Expansion of the campus is exhibited as Dr. Woods explains a layout to his secretaries, Miss Patsy Rowland and Mrs. Charlotte McDougal.

Complying with an everyday occurrence, Dr. Woods dictates a letter to his secretary.

HON. EDWARD T. "NED" BREATHITT  
Governor

## GOV AND BOARD

BOARD OF REGENTS—*Seated, left to right:* Mr. George Hart, Mr. O. B. Springer, Mr. Max Blythe, Mr. C. H. Hall. *Standing:* Miss Patsy Rowland, Mr. R. H. White, Dr. Ralph Woods, Dr. Harry Sparks, Mr. Bob Long.

WILLIAM G. NASH  
Dean of College

Dean Nash explains the complex process of dropping a class to an interested student.

A frustrated look is generated by a bewildered freshman as Dean Nash checks his class cards in the registration line.

Thumbing through one of the many files in his office, Dean Nash is an efficient member of the administration.

## DEAN NASH

Dean Nash, who received his Ph.D. from the University of Kentucky, has served Murray State College since 1940. His duties include deciding upon the schedules of the curriculum, handling class cuts, and coordinating the various departments. Dean Nash capably administers one of the most difficult jobs of the college.

MRS. SARAH PANZERA  
Secretary

# GRADUATE SCHOOL

The Graduate School is regarded as an extension of the professional and general education received on the undergraduate level with particular emphasis upon such fields of study as would result in improved classroom instruction and school administration. It will represent a combination of professional and subject-matter training of maximum benefit to a particular student.

DR. RALPH TESSENEER  
Dean of Graduate School

Dr. Tesseneer confers with his secretaries, Mrs. Ralph Tesseneer and Mrs. Maurice Christopher.

MR. J. MATT SPARKMAN  
Dean of Students

Advising a student with registration problems, Dean Sparkman is always ready to assist when trouble arises.

## DEAN SPARKMAN

Dean Sparkman, Dean of Students, is an understanding and helpful member of the administration. He is responsible for the welfare and character development of the students of Murray State. He is always available to discuss any problems which a student may have. He carries out his many duties in an efficient manner.

MRS. DOROTHY NANNEY  
Secretary

MRS. RUBY POOLE  
Secretary

Continually in the public eye, Dean Tate dictates a letter to one of her secretaries.

## DEAN OF WOMEN

The very charming and capable counselor and advisor for the many women students on the Murray State College campus is Miss Lillian Tate, Dean of Women. Her responsibilities include the supervision of the girls' dorms and counseling girls with any problems they may have, which she does very competently.

MISS LILLIAN TATE  
Dean of Women

Mary Barry  
House Director  
Elizabeth Hall

Inez Claxton  
House Director  
Ordway Hall

Mary Frahlich  
House Director  
Woods Hall

Exie Hill  
House Director

Velva Workman  
House Director  
Woods Hall

Willena Tillman  
House Director  
Wells Hall

William Adams

Carolyn Edwards

Ellen Harrell

Pauline Johnson

Dortha Starks

Margot Wingert

MR. WILSON GANTT  
Registrar

## REGISTRAR

It is the job of the registration office to prepare the IBM cards that are filled out during registration. The registrar keeps a record of all grades and mails them to parents at mid-term and at the end of the semester. He handles senior degree applications and works in close cooperation with the Dean of the College.

MR. MARVIN WRATHER  
Director of Public Relations

## PUBLIC RELATIONS

Mr. M. O. Wrather is Director of the Public Relations Department. This department maintains a free placement service for all students, directs alumni activities and informs the surrounding area about Murray State College. Joe Tom Erwin is Publicity Director and Mr. Leroy Eldridge is Director of Field Services.

MR. LEROY ELDRIDGE  
Field Services

MR. JOE TOM ERWIN  
Publicity

Martha Guier

Vivian Hale

Dorothy Holland

Hilda McCuiston

Lorna Outland

# BUSINESS OFFICE

Mr. Ordway and his efficient staff capably manage the initial functions of the Business Office. the Business Office handles one of the most important parts of the college. The registration fees, room and board, college employment checks are processed through the Business Office as well as the money of the many organizations.

MR. P. W. ORDWAY  
Business Manager

Sally Namciu

Charles Outland

Ann Page

Catherine Purdom

Naomi Rogers

Fay Sledd

Rex Thompson

Lucille Thurman

James Rogers

More new and modern buildings being built on our campus is characterised by the construction of the Applied Science Building.

MR. JOHN WATERS  
Assistant Superintendent

MR. JAMES ARMBRUSTER  
Superintendent of Buildings and Grounds

A man who works hard to keep all the physical facilities of the campus in tip-top condition is Mr. James Armbruster, Superintendent of Buildings and Grounds. He has done much to help Murray State maintain the title of the "South's Most Beautiful Campus."

## BUILDING AND GROUNDS

The Student Health Service is greatly aided by the services of the Gray Ladies.

## STUDENT HEALTH SERVICE

The College provides an infirmary supervised by a local physician, and aided by college nurses to fulfill its obligations of protecting the student's health. The infirmary is located in Wells Hall. The service is provided by a health fee paid during registration.

MISS RUTH COLE  
Student Health Service Director

DR. DONALD HUGHES  
College Physician

Mrs. Effie Kemp

Miss Jeanne Kitchen

Miss Jane Staton

MR. BUDDY HEWITT  
Director of Student Union Building

MR. GLEN JEFFERY  
College Postmaster

MR. T. SLEDD  
Manager of Book Store

MR. NORMAN LANE  
Director of Men's Dormitories  
and Married Housing

MRS. A. L. HOUGH  
Dietitian of Student Union Cafeteria

## SPECIAL SERVICES

Mrs. Margie Arbruster, Dietitian of Winslow Cafeteria; Mrs. Louise  
Jellison, Student Union Cafeteria; Mrs. Roberta Ward, Winslow Cafeteria.

The Special Services includes the dietitians and directors of the two cafeterias on campus, the bookstore manager, the director of the SUB, the college Postmaster, and the director of the Men's Dormitories and Married Housing. Together they work to make the school a more pleasant, convenient, and healthful place to reside while at MSC.

A complex reaction in organic chemistry is observed by two attentive students.

## CHEMISTRY

The purpose of the Chemistry department is to prepare students for a career as teachers, graduate work in the fields of chemistry, in medicine and employment as professional chemists.

Chemists are able to manufacture many products we use in our everyday life, such as gasoline, lubricants, and many types of plastic containers. The belief of the department is that a close teacher-student relationship permits the instructor to recognize individual needs and capabilities.

DR. W. E. BLACKBURN  
Department Head

Mr. Howell R. Clark

Dr. William Zuber

DR. WILLIAM G. READ  
Department Head

# PHYSICS

The fields of physics has become vastly more important in today's atomic world. Students are attracted to the study of physics although it requires disciplined skill and intelligence.

The Physics department has become an integral part of the college curriculum. The study of physics prepares students for teaching careers in the fields of physics, for graduate study in physics, for professional employment as physicists, for pre-professional curriculums in the fields of engineering, medicine, dentistry, and pharmacy.

The knowledge of how to operate complicated electronic equipment is gained by students in the Physics Department.

Mr. Buford Anderson

Mr. Ardath G. Canon

 Mr. John P. Gill, Jr.   Miss Evelyn Linn   Mrs. Christine Parker   Mr. Jack Wilson   Miss Virginia Witherspoon

## MATHEMATICS

Training pre-engineering students and math majors is the specific duty of the Math Department, headed by Dr. Max Carman. The entire staff strives to give basic mathematical training, valuable in many fields, to students enrolled in its courses. In this age of missiles and orbiting humans the pragmatic value of mathematics is a rapidly growing one and the role of the Math Department in our college program is increasing both in purpose and practice.

Terry Taylor discusses his algebra grade with Mr. George Britt prior to the final examination.

DR. M. G. CARMAN  
 Department Head

The human skeleton is the center of attraction for many biology majors.

DR. A. M. WOLFSON  
Department Head

## BIOLOGY

Miss Evelyn Cole

Mr. Robert Daniel

The aim of the Biology Department of Murray State College is to train students in the basic concepts of the origins, functions, and preservations of basic forms of life on our planet. The basic scientific skills transmitted by this department provide a general background for students pursuing a liberal arts program and supply a foundation for the specialized training given in its upper division courses to those students enrolled in professional and research programs.

Dr. Harold E. Eversmeyer

Dr. Hunter Hancock

Mr. C. W. Kemper

Mr. Morgan E. Sisk

Dr. Liza Spann

Dr. John C. Williams

Office Practice is characterized by the preparation of a bulletin board.

Mr. Vernon Anderson

Mrs. Kathryn Carman

Mr. Eugene Hurn

Mr. George Ligon

## BUSINESS

The Business Department is one of the most up-to-date and modernly equipped buildings in the state. The building is completely air-conditioned, has a room set up as a modern-day office with work desks, typewriters, and dictaphones, has a room completely filled with electric IBM typewriters, etc. With such modern facilities, the department offerings provide excellent training for secondary school business teachers and broader opportunities for general cultural, business, and vocational training.

Practice at the transcribing machine helps prepare the secretary for the modern-day office.

DR. THOMAS B. HOGANCAMP

Miss Rubie Smith

Dr. Mary Elizabeth Bell  
Mr. Harlan Hodges  
Dr. Ralph Tesseneer

Dr. Edward Brunner  
Mr. Ben Humphreys  
Mr. Wayne Williams

## EDUCATION AND PSYCHOLOGY

Today, more young Americans are attending school than ever before, and likewise demand for more and better qualified teachers is ever increasing. In an effort to meet this demand and provide a sufficient number of qualified teachers, emphasis has been placed on Education. The students of this department study classroom techniques for four years and for nine weeks during their senior year they apply what they have learned in actual practice.

The Psychology Department helps the student understand how the process of learning takes place.

DR. DONALD HUNTER  
Department Head

# LANGUAGES

Under the supervision of Dr. James Parr, the language department takes great pride in the quality of its staff and its majors. Dr. Parr and the Language staff attempt to teach the fundamentals of the four different languages taught in the department to students enrolled in either French, Spanish, German, or Russian Language Classes. The department utilizes phonograph records, which help the student to learn the pronunciation of native speakers of the language.

DR. JAMES A. PARR  
Department Head

Dr. Rolf E. P. King  
Mrs. Annie Woodbridge

Dr. Ivan Lubachko  
Mrs. Dorothy Wooding

Student assistants in the Modern Language Department have an advantage of getting to study dialogs while on the job.

DR. GUY A. BATTLE  
Department Head

## ENGLISH

The purpose of the English Department is to promote studiousness and to bring about an adequate level of literacy. The department tries to get students to feel the importance of literature as both an art and idea. They also try to interest the student in English as a language, such as the variety of meanings for one word. They hope to become a part of a continuous instructional program for students from elementary through college level.

English student assistants are responsible for much of the preliminary grading of freshmen compositions.

## LIBRARY

The Library is the center of the Murray State College campus. It is dedicated to the preserving of the vital resources which are essential for research, reports, or general information.

Invaluable assistance and advice is furnished by the courteous and capable library staff which is reinforced by student assistants.

The student assistant checks out a book for a student in the library's new reserve room.

# LIBRARY SCIENCE

The system to unlock the door to knowledge and bridge the gap between ignorance and wisdom is the use of the library. Miss Rezina Senter, head of the department, presents courses designed to give future librarians a working knowledge of library needs and procedures; make the library a vital part of the school program; develop satisfactory relations with other members of the staff and with the students; and to organize and administer a library.

MISS REZINA SENTER  
Department Head

The Library Science student spends much time in working with books.

DR. C. S. LOWRY  
Department Head

## SOCIAL SCIENCE

Today, we are very much aware of Pope's statement, "The proper study of man is man." Since man is seeking to know as much as possible about himself, his origins, his history and the structure of his society, and because of the pre-eminent threats facing our democratic form of government, the role of the social scientist has become increasingly important.

A well-trained staff offers a program designed to help achieve competency in economics, geography, history, political science, and sociology.

## HEALTH AND PHYSICAL EDUCATION

This department is dedicated to the proposition that the mental processes are only a part of the total self and that a healthy mind functions best in a healthy and well-developed body. Through the utilization of physical skills and practices, the faculty helps to develop within the student attitudes that are essential to healthy living. This approach is founded on the interrelationship of mind and body and is designed to benefit the student in everyday life.

The college swimming pool offers healthful recreation for all college students.

## FINE ARTS

The Fine Arts Department offers to the students of MSC the traditions of liberal arts with emphasis placed upon functional and vocational studies.

The student is given unique opportunities which encourage individual accomplishments in the fields of art, music, and drama. The music student is trained in voice or instruments. The art student is taught to recognize beauty while the drama student learns to portray effectively his role and communicate with his audience.

Major  
Christian F. Dubia

Major  
Henry N. Henry, Jr.

## MILITARY SCIENCE

Behind the shined buttons, immaculate uniforms, and polished performance of army organization is a rugged course of inspections and drills. Background to this preparation for national defense must be the study of weapons and small-unit tactics, courses included in the two-year program required of freshmen and sophomores. Many outstanding cadets choose to seek the commission that follows advanced study and graduation. ROTC develops citizenship and leadership in preparing one to serve his nation in whatever profession he chooses.

An integral part of the leadership laboratory is the color guard.

Colonel Booth decorates an outstanding cadet during a drill session.

The basic skills of mechanical drawing are taught by the Industrial Art Department.

# INDUSTRIAL ARTS

Industrial Arts is a chance for the student to work with his hands and his mind, to create and recreate, to demonstrate his intelligence and dexterity in a practical and essential art form. In classes of mechanical drawing, the students prepare for future careers in the fields of architecture, designing, and engineering. Courses in woodworking and general metals give the students practical, creative experience. Students are thus equipped to be of great value in the technological progress of our civilization.

An Industrial Arts major studies the fundamental comparison of electrical circuits.

MISS RUBY SIMPSON  
Department Head

Mrs. Ordway explains color tones for the home to Home Ec students.

## HOME ECONOMICS

It's more than a house; it's a home. Each major within is a scientist in her laboratory; skillful hands practice the art of preparing nutritious meals, managing the family budget, and designing clothes to meet her knowing, but critical, eye.

Such are the skills of the practical homemaker, acquired through four years of research, lectures, classrooms, and practical experience. For the home economics major, necessity becomes comfort.

Home Management students use scale models of homes in their studies.

# NURSING DEPT.

A four-year curriculum for the preparation of professional nurses is offered. Upon completion, the graduate will receive a Bachelor of Science Degree in Nursing and is eligible to become a Registered Nurse.

Students pursue courses in general education and nursing throughout the four years. Clinical experience is secured in various health facilities in Murray and Western Kentucky.

Mrs. Patsy N. Forrest

MISS RUTH E. COLE  
Department Head

A model of the heart is the center of attraction for these nursing students.

Mr. Arlie Scott

Mr. Amos Tackett

Dr. Bobby Wells

## AGRICULTURE

The test of the effectiveness of a department is its provision for general and professional education for its majors. MSC's Agriculture Department passes this test. This department, under the supervision of Mr. E. B. Howton, will soon be moving into a beautiful new Applied Science Building with the departments of Industrial Arts and Home Economics.

MR. E. B. HOWTON  
Department Head

Two Agriculture students utilize scientific knowledge by testing soil.

MR. VERNON SHOWN  
Director

## COLLEGE HIGH

College High is the branch of our college where the MSC students majoring in education have an opportunity to do their practice teaching under highly skilled supervising teachers. It is an ideal place for those who are qualifying for the teacher's certificate in the elementary and secondary fields to put to use the things they have learned. The "student teachers" observe the high educational standards at College High which inspire them as future teachers to achieve higher ideals and goals.

BILL MURPHY

The capable leader is one who understands the needs of those he leads and who functions productively within the limitations placed upon him and within the values he has placed upon himself. Leadership is an important part of college life. It contributes to individual growth and to the enhancement of the school. The student who takes an active part in serving the student body and the college in a leadership capacity, however small, may glean invaluable experience.

the leadership

A joke seems to dominate the scene as the Student Council meeting gets underway.

BOB CAREY  
Student Organization President

## STUDENT COUNCIL

The governing body of the Student Organization of Murray State College is the Student Council. Council members are elected annually to act as intermediaries between the administration and its student body. Through the functioning of several standing committees, the Student Council oversees campus elections, campus beautification, student complaints and the representative in the Mountain Laurel contest. General officers of the Student Council for the 1964-65 school year were: Bob Carey, president; Larry McIntosh, vice president; Andrea Sykes, secretary; and Joe Owen, treasurer. Founded in 1936, the Student Council has efficiently served the students of Murray State College.

Judicial committeemen Bill Cunningham and Bob Carey post a sign which tells of the judicial board rally.

Dick Habermel and Mike Reid of the Student Complaint Committee chat with Mrs. A. L. Hough, dietitian, concerning variety in the cafeteria meals.

The placing of waste receptacles at strategic locations on campus was spearheaded by Mac Anderson and Bill Cunningham of Committee A.

The Student Council for the 1964-65 school year.

One of the busiest yet most personable coeds on the MSC campus is the Student Council secretary, Andrea Sykes.

# THE 1965 SHIELD

Putting out the SHIELD involves much more work than people realize, especially those who volunteer for the SHIELD staff. They are soon to discover, however, just how large the task really is. The watchword of the staff is, of necessity, teamwork. The job is impossible for one or two people to handle, but it is only with complete cooperation of the whole staff that we manage to meet our deadlines.

The patience and guidance of Mr. Anderson, the faculty advisor, helps to make the labor more bearable.

Working for the SHIELD is far from all toil and pain. The staff gains immeasurably in personal and cooperative accomplishment and can take justified pride in the finished product.

President

# PANHELLENIC COUNCIL

The Murray State Panhellenic Council regulates and governs the three national sororities on campus.

The Council has three main functions: to promote desirable inter-sorority relations, to inform independents on campus of the activities of the sororities, and to make and enforce rushing rules.

Panhellenic Council's high ideals are expressed clearly in the Panhellenic Creed which states: "We, the fraternity undergraduate members, stand for wholehearted cooperation with our college's ideals for student life, for the maintenance of fine social standards and serving to the best of our ability our college community. Good college citizenship in the larger world of alumnae is the ideal that shall guide our chapter activities."

In the spring of 1961, a Junior Panhellenic Council was established. It is composed of members of the pledge classes of the sororities, and works closely with the Senior Panhellenic Council in teaching incoming active members the true spirit of Panhellenism.

# ALPHA OMICRON PI

Alpha Omicron Pi, the newest sorority at Murray State College, was installed as Delta Omega chapter September 18, 1961. The 32,000 AOPi's throughout the United States and Canada are bound together by sisterly love and common interests. Simplicity is sought as a group, and each girl seeks to develop individuality in all that she does. Alpha Omicron Pi was founded in 1897 at Barnard College of Columbia University in New York. Membership in Alpha Omicron Pi personifies a lifetime experience in friendship.

AOPi offers its contribution to world good through the nationally known Frontier Nursing Service which serves people in the remote mountain regions of Kentucky. Locally, Delta Omega Chapter has contributed to charity drives, worked in civic projects, has done a great deal for the children at the Paradise Friendly Home. This fall the sorority made it possible for them to go to the zoo in Evansville, Indiana; holidays are also remembered such as birthdays and Christmas.

Instead of limiting friendship and interests, Alpha Omicron Pi seeks to enlarge them by encouraging participation in college and fraternal affairs. Activities such as the annual Red Rose Ball, The Parents' Banquet, Founder's Day celebration, Backboard Ball, Spring Roundup, picnics to the lake, and intramurals contribute a diversified background to each AOPi.

A Lake Outing and Senior-Send-Off brings the school year to a close; however, graduation does not mean that membership has ended. It signifies an entry into a broader field of opportunity with thousands of other AOPi alumnae.

Being a sister in Alpha Omicron Pi is a never-ending experience, being a part of a congenial and compatible group, a widening circle.

The sorority's trophies are efficiently cleaned by three congenial AOII's.

The Spring Pledge Class of Alpha Omicron Pi.

# ALPHA SIGMA ALPHA

Alpha Sigma Alpha, founded in 1901 at Longwood College, Farmville, Virginia, installed Beta Nu Chapter at Murray State College in 1946.

"Aspire, Seek Attain," the motto, best describes the ideals of the sorority. The fourfold aim is to establish a sisterhood which will contribute to the development of each of its members in the physical, intellectual, social and spiritual aspects of life.

The national philanthropic project is aid to exceptional children. This is accomplished through the giving of scholarships for study in this field and personal work done by all of the chapters throughout the United States. Beta Nu works with exceptional children in Murray. Classes are located in Austin and Robertson Elementary schools. Aiding in hand work, class projects, and serving as homeroom mothers by giving parties at Christmas, Valentine Day, and Easter are a few of the activities Beta Nu undertakes each year. This project helps each member to live up to the cardinal principal of Alpha Sigma Alpha—"to serve—not to be served."

A few of Beta Nu's traditional activities include the Harvest Ball, Mistletoe Ball, Bermuda Blast, weekends at the Lake, and Senior Send-Off.

By working and serving together, Alpha Sigma Alpha's have found that sorority membership develops each one of them in many different aspects of life and adds much to their college days.

Alpha Sigma Alpha members sponsor a Christmas party for the exceptional children of Calloway county.

# SIGMA SIGMA SIGMA

A Tri-Sigma girl symbolizes sorority. She smiles, and in the warmth of this smile one sees friendship, love, and sisterhood. This sisterhood began April 20, 1898, at Longwood College, Farmville, Virginia. Belonging to Tri-Sigma adds to the purpose and happiness of college years, for each member learns the true meaning of giving, loving, and sharing. Tri-Sigma spirit shines through the eyes of every girl who is a member of the Alpha Chi chapter, installed at Murray State in 1942.

The national social service work of the sorority has long been centered around "Tri-Sigma Serves Children." Alpha Chi chapter sponsors an annual Christmas party for underprivileged children and also provides a local family with food and clothing each year.

Tri-Sigma members aim to contribute to college activities and do so through sponsoring the Sadie Hawkins Dance, the Valentine Dance, and Winter Wonderland. Each year Tri-Sigma observes Founder's Day with a banquet and a closed formal dance in April.

At the end of the school year, Tri-Sigma says good-bye to the senior members at Senior Send-off. This is not the end of membership, but the beginning of a new life as an alumna. The Tri-Sigma membership and friendship last forever.

The Tri-Sigma sorority room bursts with enthusiasm as committee members meet before the regular meeting.

The Spring Pledge Class of Sigma Sigma Sigma.

# ALPHA GAMMA RHO

Alpha Gamma Rho is a social fraternity which was founded in 1908 at Ohio State University. The Alpha Gamma Rho Colony at Murray State was activated on November 25, 1959. Our fraternity's ideals are embodied in a single word, "Fraternalism." We are not born with an instinct to cooperate with and work for our neighbors; greed and self-interest are far more primitive and much deeper ingrained. Man's advancements, slow as they have been, have come about largely as the results of his realization of the brotherhood of man. We of Alpha Gamma Rho firmly believe that Fraternalism does mean brotherhood. We think of our fraternity not as a club, but rather as a group of dedicated individuals striving together to bind ourselves with ties of sincere and enduring brotherhood; to bring out the best qualities in one another by precept, example, and friendly criticism; to lend one another every honorable means of assistance and encouragement through life.

# ALPHA TAU OMEGA

Alpha Tau Omega, one of the oldest and largest of college fraternities, was founded September 11, 1865, at Virginia Military Institute in hopes of helping to mend the wounds of a war-torn nation through the ties of brotherhood.

The Fraternity has grown steadily until today it boasts 123 chapters with over 89,000 initiates.

But mere statistics do not portray the true pictures of Alpha Tau Omega. That outlook which the three men who founded ATO had has come down through its 100 years until today it is reflected in the undying love of brother for brother which is not enjoyed just during undergraduate days and forgotten after college. With a philosophy based on Christianity, Alpha Tau Omega embraces a brotherhood within its chapter halls which will last for life.

"To bind men together in a brotherhood based upon eternal and immutable principles, with a bond as strong as right itself and as lasting as humanity; to know no North, no South, no East, no West, but to know man as man . . . these were the thoughts and hopes uppermost in the minds of the founders of Alpha Tau Omega Fraternity."

Alpha Tau Omega came to the Murray State campus when the local Beta Tau Beta was activated as Kentucky Zeta Lambda chapter, May 9, 1959.

Participating in all phases of college life from politics to athletics to social activities, ATO provides an important portion of campus life to Murray State. Annually the fraternity sponsors the Cannon Ball and the Toast to Spring dances.

CAROL HOPKINS  
Sweetheart

# PI KAPPA ALPHA

Epsilon Lambda chapter of Pi Kappa Alpha was the first national fraternity chartered on a Kentucky state college campus. Our chapter was formed from the local fraternity, Tau Sigma Tau, and many outstanding Murray citizens. We were installed May 18, 1958.

The past year has been a fruitful one for the Epsilon Lambda chapter. Once again the men of PiKA have shown their scholastic merit and were awarded the Dean Nash Scholarship Award. This honor has been bestowed upon PiKA four of the five years that it was presented. Our chapter was not limited to scholastic merit alone. The Pikes also captured the all-sports trophy. This trophy is awarded to the fraternity that excels in every phase of the intramural program. The Pikes at Murray State College also contribute annually to the social life on campus. Each year we present The Royalty Ball and Neptune's Cove, each featuring a nationally known band.

The Pi Kappa Alpha fraternity seeks to develop those qualities of human understanding, or companionship, or kindness, with a knowledge and training in appraising the basic values of life, which lead toward a better civilization, with peace and understanding among all people.

"To have ever at heart the best interests of my fraternity; to foster a feeling of helpful brotherhood; to be true and honest with my brothers and all my other associates as well; to be in no sense a snob; to be loyal to my college and to advance her good name in whatever way I am able; to place class standing before social position; to merit the confidence and esteem of my instructors; in my private life to be pure and noble; to commit no deed which will bring shame to my fraternity; in my life's work to be as true, as honest, as loyal, as pure, as worthy, in short, to be a man in the best sense of the word, and thus fulfill the highest ideals for which Pi Kappa Alpha must ever stand."

PAT RANKIN  
Sweetheart

An advisor of Pi Kappa Alpha is Dean of the College William G. Nash.

B. Parsons, Sponsor.

# SIGMA CHI

Sigma Chi was founded 110 years ago at Miami University in Oxford, Ohio. Today, the fraternity embraces over 100,000 members in over 140 active chapters and throughout the world. At Murray State, Sigma Chi evolved from its local chapter, founded in 1948, to the Epsilon Tau chapter of Sigma Chi in April of 1959.

Through Sigma Chi, college men find expression in many areas of Greek life. Among these values are brotherhood, service, fellowship, social and extracurricular life and others.

Standing today on over a century of tradition, Sigma Chi is proud of the fact that it has more alumni chapters and the highest percentage of dues-paying alumni than any other fraternity in the world. This is indicative of the spirit of brotherhood that transcends graduation and continues throughout life. Sigs in all walks of life and in every geographic location still remain active in fraternity life and work and retain the benefits of membership.

A virtual giant in the Greek world, Sigma Chi offers to every college man the opportunity to strengthen and amplify the benefits of college life in order to form a future life of service and dignity.

HENRIETTA DAVIS  
Sweetheart

# TAU KAPPA EPSILON

The college fraternity is more than a club or association. It is a comradeship based on common understanding, dominated by deep and abiding friendships, with the members studying, growing, and achieving together. It is a compact of chosen brothers with similar ideals, hopes, and purposes, furnishing the indispensable incentive which turns the college youth into the poised and self-confident man, sending him into the world not only equipped with a keener mind, greater appreciation, and broader sympathies, but fortified by a group of true and understanding friends who will abide throughout life.

Tau Kappa Epsilon is like a family. Like every fraternity, TKE has its share of famous alumni, its "first" in the fraternity field, its history of progress and refinements. Of these we are proud; yet our goals are set beyond size and fame.

As Zeta Chi chapter, we at Murray State strive to reach these goals in our campus life and brotherhood. As Tau Kappa Epsilon fraternity, we strive to set higher goals for ourselves and our fraters to come.

KAREN BRYANT  
Sweetheart

The fraternity magazine is the focal point of conversation for these TKE's.

# SIGMA ALPHA IOTA

In 1903, on June 12, at the University School of Music, Ann Arbor, Michigan, Sigma Alpha Iota, women's professional music fraternity, was founded. It was installed on this campus on February 3, 1939, and from that time on has strived to uphold and further the cause of musical development and scholastic standards of its membership.

Iota Beta participates in many of the campus and musical activities during the year, a few of them being: the sponsoring of an "All-Campus Sing"; presenting "Campus Lights" in conjunction with Phi Mu Alpha; presenting musicals monthly; co-sponsoring the "Festival of Contemporary Arts," and presenting, in conjunction with Phi Mu Alpha, an "All-American Concert."

Every year Iota Beta Scholarships are awarded to outstanding freshman women and an annual \$100 "Pop" Doyle Scholarship is awarded to an upper-class woman. As "Daughters of a Great and Singing Nation" Iota Beta has been the "Outstanding Chapter" of the province for the past several years.

"To study and practice the goodness of life, the beauty of art, the meaning of music . . . This is to be our Symphony."

A scene from "Campus Lights" which is jointly produced by Sigma Alpha Iota and Phi Mu Alpha.

PAT FLAHERTY

# PHI MU ALPHA

NANCY PRATT  
Sweetheart

"The Gamma Delta Chapter of Phi Mu Alpha Sinfonia Fraternity of America has a fourfold purpose: To advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater."

We have strived to accomplish these purposes since 1938 when we received our National Charter. For ten consecutive years, our chapter has received the Charles E. Lutton Province Merit Award, and, in 1958-1960, Gamma Delta Chapter won the Charles E. Lutton Sinfonia Award for being the most outstanding chapter in the nation.

In an effort to further our purposes, Gamma Delta awards scholarships to freshman music students, and presents annually, in cooperation with Sigma Alpha Iota, the "All-American Concert" and "Campus Lights."

EDDY BULLOCK  
President

Dr. E. P. King, faculty advisor, presents Eddy Bullock with the chapter charter.

P. King, Chairman of Sponsors; J. John Matthews, Sponsor.

# ALPHA PHI OMEGA

With the beginning of the Fall Semester, Xi Omega Chapter of Alpha Phi Omega, "National Service Fraternity," began its second year at the home of the Thoroughbreds.

As in its first year, the fraternity kept in mind its purpose of service by continuing to serve the youth and community, the student body and faculty, the nation as participating citizens, and the members of the fraternity.

This service was demonstrated in many ways: A city-wide door-to-door Clothing Drive was conducted in the Fall for the Appalachian area of the country. The fraternity instituted the Film Festival by providing a double feature program of award-winning films on Friday, Saturday, and Sunday evenings for the student body at a modest price. It constructed a reviewing stand for the administration, parade judges, and queen candidates to view and judge the Homecoming Parade. It provided all the manpower for the student organization elections during the year, as well as providing the manpower needed by the American Red Cross in their country-wide drives. The chapter's most time-consuming project turned out to be the cleaning and polishing of the bronze entrance to the library. The fraternity closed out the fall semester by offering its first semi-formal dance, "Moods in Blue," during the month of January.

What does a man get out of a fraternity with a theme of service? This is hard to answer, but at present over 80,000 men in over 350 chapters since the inception of the fraternity in 1925 at LaFayette College in Easton, Pennsylvania have bonded together under the inspiration of the "good turn" of the scouting movement in an attempt to develop the characteristics of leadership, friendship, and service.

BRENDA SMITH  
Sweetheart

# BETA BETA BETA

Beta Beta Beta, a national honorary society for students of the biological sciences, seeks to encourage excellence in the field of learning by reserving its membership for those who achieve superior academic records and who show special aptitude for the subject of biology. The society seeks to cultivate intellectual interest in the natural sciences and to promote a better appreciation of the value of biological study. Its aims are threefold: (1) the stimulation of sound scholarship; (2) the dissemination of scientific truth; and (3) the promotion of biological research.

# EPSILON PI TAU

JOHN BELT  
President

Epsilon Pi Tau is an honorary professional Industrial Arts and Vocational Industrial fraternity. It was founded by Dr. William E. Warner in 1929, at Ohio State University and the Beta Gamma Chapter was established at Murray State College in June, 1956.

The purposes of Epsilon Pi Tau are to recognize the place of skill; to promote social and professional proficiency; and to foster and reward research and to publish and use its results.

Requirements for membership depend not only on high scholastic standing, but also on character and a sincere interest in Industrial Arts.

Charles Sens, Vice President; Richard Bryan, Secretary; Leroy Bradfield, Treasurer; Paul K. Lynn, Co-Trustee.

*First Row:* Bobby Edwards, Joe Estes. *Second Row:* William Garrard, George Gunter, Tommie Hill. *Third Row:* Philip Hocker, Vaughn Johnson, John Jones, Robert Jones. *Fourth Row:* George Lilly, William Palmer, Rodger Peterson, John Porter, Henry Simpson.

# SIGMA LAMBDA IOTA

Sigma Lambda Iota, an honorary professional business fraternity, was organized at Murray State College on October 10, 1957.

Membership is open to all male students who are pursuing a non-teaching bachelor's degree in business administration, accounting, or general business, and who have obtained a scholastic standing of 3.0 in business subjects and a 2.5 in non-business subjects. For a student to be eligible he must have a minimum of 28 hours of credit, of which 15 hours are in business subjects. Sigma Lambda Iota is a non-affiliated organization.

The objectives of this fraternity are to further the individual welfare of its members; to foster scientific research in the fields comprising business administration; to educate the public to appreciate and demand higher ideals therein; and to promote and advance courses and training in business administration at Murray State College.

Sigma Lambda Iota signifies scholarship, leadership, and integrity.

JERRY KINGTON

President

# DELTA LAMBDA ALPHA

Delta Lambda Alpha is a freshmen women's honorary fraternity, and is based upon the scholastic average of a full course of study for one semester. The grade average must be halfway between the two top grades of the institution.

The organization is symbolized in the Bible, white candle, shield, and white carnation. These in turn represent purity of thought and of deed, high resolve, and accomplishments.

Active membership comes in the remaining part of the freshman year and the sophomore year.

Peggy Weeks, Vice President; Diane Rogers, Secretary.

*First Row: Jean Austin, Marybeth Hayes. Second Row: Jean Bullard, Sandra Cummings, Carol Ann Davis, Margaret Giles, Marian Mattingly. Third Row: Billie Price, Janie Roberts, Diane Satterfield, Jeanie Sowell, Brenda Tichenor.*

# KAPPA PI

Kappa Pi, a national honorary art fraternity founded in 1911, was established to honor those students attaining excellence in scholarship and distinction for their achievements in the field of visual arts. Alpha Alpha Chi chapter of Kappa Pi was chartered on the Murray campus May 20, 1950. The purpose of Kappa Pi is to promote art interest and appreciation among college students and to stimulate higher scholarship and quality of work.

Each year Kappa Pi, in conjunction with the art division, sponsors an art auction with all proceeds donated to the scholarship fund. Also a Christmas sale is held yearly in which the individual students obtain the profits from the sale of their own work.

MIKE BOWMAN  
President

Sharon Evans, Vice President; Nancy Sexton, Recording Secretary; Ruddee Rudd, Corresponding Secretary; Jerry Rich, Treasurer; Pat Tichenor, Parliamentarian.

# SOCK and BUSKIN CLUB

KEN ZIMMERMAN  
President

The Sock and Buskin drama club was founded in 1925 and is the oldest organization on the campus. The purpose of the club is to create, develop, and promote interest in drama. Members gain experience both in acting and production while working on two arena productions, Children's Theatre and one-act plays which are directed by student directors.

Those wishing to become members of Sock and Buskin must go through a period of apprenticeship. During this period they become familiar with different aspects of theatre.

Each Spring the club holds a banquet at which awards are presented to the best actress, best actor, and outstanding participant in the club.

Polly Nash, Secretary; Gary Bell, Treasurer; Eunice Anderson, Historian; Tom Jones, Sergeant at Arms.

*First Row:* Joy Butler, Margaret Crider. *Second Row:* Billy DeWeese, Gail Nance, Nina Oliphant. *Third Row:* Donna Phillips, Sunga Priest, Mary Smith, Patricia South, Jeanne Steytler.

# KAPPA DELTA PI

Kappa Delta Pi, an Honor Society in Education, aims to foster high standards of preparation for teaching and to encourage a closer fellowship among those who have attained excellence in scholarship and distinction for their achievements as students and teachers. Kappa Delta Pi was founded March 8, 1911, and the Delta Omega Chapter was installed at Murray on May 31, 1939.

Vanda Gibson, Vice President; Betty Quinn, Secretary; Eleanor Ferguson, Treasurer; Dr. Edward Brunner, Sponsor.

President

*First Row:* Donna Alderdice, Hugh Barksdale. *Second Row:* Susan Cooke, Sara Dame, Gayle Daniel, Sam Hardy. *Third Row:* Carol Harmon, Dianne Dowdy, Frank Moore, Glenda Kesterson, Judy Roberts Padgett, James Ramage, Johnny Rushing. *Fourth Row:* Vonnie Shelton, Henry Simpson, Judy Simpson, Joyce Titsworth, Dr. Donald Hunter, Dr. Elizabeth Bell, Rubie E. Smith. *Fifth Row:* Dr. R. B. Parsons, Venona Rogers, Mavis McCamish, Joe Nell Rayburn, Ben Humphreys, Dr. R. F. Alsop, Mrs. Inez Claxton, Miss Mildred Hatcher.

JANE HALL  
President

# PI OMEGA PI

Pi Omega Pi, the national honorary fraternity for business education students, became a part of Murray State College in July, 1953, with the establishment of the Gamma Upsilon Chapter.

Prerequisites of high scholastic standing and credit requirements are only a part of membership requirements. The student must have a well-rounded life, because Pi Omega Pi contributes to campus life as well as to high standards of education. This organization has entered candidates in campus contests, participated in Homecoming festivities, conducted club projects, helped needy families at Thanksgiving and Christmas, and sent six delegates to the National Pi Omega Pi Convention in Chicago in December. Preparation of a handbook acquainting students with the Department of Business is the annual service project of Pi Omega Pi.

Pi Omega Pi has as its purposes to encourage, promote, extend and create interest and scholarship in business and professional life, and to teach the ideals of service as a basis of all worthy enterprise.

Betty Brown, Vice President; Ginger Bean, Corresponding Secretary; Brenda Smith, Recording Secretary; Frances Armstrong, Treasurer; Joyce Titsworth, Historian.

*First Row:* Marvin Albin, Marlene Barrow. *Second Row:* Judy Bean, Ed Burton, Owen Davis. *Third Row:* Dianna Galloway, Jennye Long, Larry Lozowski, Mary Beth McCants. *Fourth Row:* Beverly Nelson, Elizabeth Owens, Sue Phillips, Susan Saunders, Vonnie Shelton, Mary Taylor, Linda Vaughn.

# KAPPA OMICRON PHI

The Alpha Sigma chapter of Kappa Omicron Phi, national honorary home economics fraternity, was established at Murray State College in May, 1961.

Home economics majors or minors who have completed eight semester hours in home economics and have a 3.0 standing in home economics and a 2.5 over-all standing are eligible for membership.

The goals of Kappa Omicron Phi are to develop women with higher ideals of sane living, with deeper appreciation of the sanctity of the American home, and with broader social and higher intellectual and cultural attainments.

VICKI POINDEXTER  
President

*First Row:* Linda Wells, First Vice President; Judy Harris, Second Vice President; Phyllis Thompson, Recording Secretary; Henrietta Davis, Corresponding Secretary; Wilma Wells, Treasurer. *Second Row:* Patsy Fain, Keeper of Archives; Jeannette Walliser, Distaff Reporter; Jane Steely, Distaff Reporter; Kay Adams, Guard; Mrs. Alice Koenecke, Sponsor.

*First Row:* Jeanie Abanatha. *Second Row:* Miss Frances Brown, Mary Frances Hayes, Judy Hodge.

# ALPHA BETA ALPHA

Epsilon Chapter of Alpha Beta Alpha was installed at Murray State College on January 17, 1953. The purposes of this fraternity are to further the professional knowledge of its members, to promote fellowship, and to serve as a recruiting agency for librarians. "Books, People, Service, Life," is the fraternity motto. The official flower is the white rose, the colors are white and royal purple.

KATHLEEN MAHONEY  
President

Saralyn Ingram, Vice President; Roberta Ward, Recording Secretary; Sheila Waggoner, Corresponding Secretary; Sylvia Clark, Treasurer; and Mrs. Edna Darnell, Sponsor.

*First Row:* Joyce Binford, Margaret Crider. *Second Row:* Wanema Gatewood, Pat Harrington, Darl Herron. *Third Row:* Carolyn Lamb, Jennye Long, Vilet McElroy, Brenda McKeel. *Fourth Row:* Donna Nunn, Danny Stelly, Terry Sternberg, Leslie Sternberg, Kay Wright.

# ALPHA PHI GAMMA

Alpha Phi Gamma, national honorary journalism fraternity, was founded at Ohio Northern University in 1919. The Murray State Gamma Theta chapter was established in 1961.

The purpose of Alpha Phi Gamma is to "recognize individual ability and achievement in journalistic pursuits in colleges and universities; to serve and promote the welfare of the college through journalism; to establish cordial relationships between students and members of the profession; and to unite in a fraternal way congenial students interested in journalism."

ALOMA WILLIAMS  
President

Chuck Baccus, Secretary; Shirley Henson, Treasurer; Bob McGaughey, Bailiff; Mr. L. H. Edmondson, Advisor.

*First Row:* Jerry Heinzman, Judy Willen. *Second Row:* Cheryl Berry, Sue Phillips, Carol Harmon. *Third Row:* Bob Whelan, Harry Rains, Pat Brown, Ed Trotter, Landine Travis. *Fourth Row:* Wilson Wooley, Ralph Burchett, Cookie Holt, Gene Murray, Hugh Barksdale, Susan Adams, Bill Bowden.

# ALUMNI ASSOCIATION

Old students never die, they just fade away—not so with the Alumni Association members. Graduates retain a link with Murray State College through the Association. All active members receive *The College News* and all alumni publications. Along with promoting the interests of the college, the organization offers scholarships to outstanding high school graduates. Class reunions, as well as regular meetings, are held during Homecoming and spring graduation exercises.

Alumni activities during Homecoming included a Smorgasbord for its members.

An Alumnus purchases his ticket for one of the Association's activities.

Station Manager Chuck Hornung looks on as Studio Director Ev Rudolph plays a record.

# THOROUGHGBRED HOUR

The Thoroughbred Hour is an information and service function primarily for the students of Murray State College and secondarily for the townspeople of the city of Murray. The Thoroughbred Hour serves also as a workshop for students who are interested in the field of radio broadcasting. The nightly program is produced and narrated by the staff from the studios in Wilson Hall. The Thoroughbred Hour staff is headed by the station manager with the aid of the faculty advisor.

Murray State College Association for Childhood Education is a branch of the Association for Childhood Education International. The members of A.C.E. are individuals whose common interest is the welfare and education of young children. The branch provides channels through which these individuals can extend their interest in various ways and at the same time prepare, as a teacher, to aid in the solution of problems related to children.

New trends in Elementary Education are the main topics discussed by A. C. E. members in round-the-table discussions.

Seated, Left to Right: Mr. Robert Hendon, Bill Beasley, Hartzel Black, Mr. Arlie Scott. Standing: Anthony Young, Ray Bruce, Hamp Brooks, James Everett.

#### OFFICERS

The Agriculture Club has as its objectives developing a strong relationship among students in agriculture and bringing about a close association between faculty and students. At its annual Field Day, the Agriculture Club enables area high school boys interested in agriculture to get acquainted with Murray State College, its students and faculty. For students, already attending college, the Agriculture Club directs its efforts along those lines of extracurricular activities which will improve the students' development in leadership and scholarship.

## AGRICULTURE CLUB

# HOME ECONOMICS CLUB

The Home Economics Club is a professional organization affiliated with the American Home Economics Association and the Kentucky Home Economics Association.

Among its purposes are to develop professional attitudes and interest by providing opportunities for working with faculty and students of our college, meeting and knowing people who are successfully practicing the profession, providing opportunities for the development of leadership abilities, taking the first step toward professional recognition, and seeking an understanding of all peoples.

The club grants a scholarship each year to an outstanding school senior girl who wishes to further her training in home economics.

*Seated, Left to Right: Brenda Tichenor, Kay Adams, Sharon Rowland. Standing: Miss Alice Ramer, Madelyn Rathbun, Laura Holt, Miss Francis Brown.*

## INTERNATIONAL RELATIONS CLUB

ALOMA WILLIAMS President    JERRY SHERMAN Vice President    SID SEXTON Secretary-Treasurer    DR. PATRICK SOWLE Adviser

The International Relations Club, oldest organization on campus, was founded for the purpose of promoting increased interest and better understanding of international affairs. This is accomplished through bi-monthly discussions by visitors, faculty members, and students on international affairs, domestic problems, and other topics of particular interest to students of history and the social sciences.

Annual events of the IRC are the fall picnic at the advisor's home, bringing a prominent authority in the field of history and social science to lecture on campus, and a field trip to a spot of historical importance in the spring.

## OFFICERS

BECKY RICH	President
PAT CRAWFORD	Vice President
LAURIE McPHERSON	Secretary
SHARON MATTHEWS	Corresponding Secretary
SANDRA WALLACE	Treasurer
PHYLLIS HILL	Publicity Chairman

MRS. MATT SPARKMAN	Sponsor

The Murray State Chapter of National Association of University Dames is an organization for the wives of married students and the married women who attend college. The club was organized in March, 1958, and became affiliated with the National Association in September, 1958. Mrs. J. Matt Sparkman is an excellent sponsor and has been since the beginning of the club.

The main goal of the organization is to establish a spirit of good fellowship and to provide social and cultural opportunities for its members. Dames Club sponsors the annual Mrs. Murray State Contest, which was organized in 1961. At the end of the year, the most deserving member is honored with a silver bracelet and the title of "Ideal Dame" at the annual banquet.

## DAMES CLUB

Seated, Left to Right: Becky Rich, Pat Crawford, Laurie McPherson, Sandra Wallace, Mrs. Clarice Sparkman. Standing: Lee Whitton, Judith Belt, Sharon Matthews, and Phyllis Hull.

#### OFFICERS

JOHNNY JONES	.....	President
CHARLES SENS	.....	Vice President
BILL GARRARD	.....	Treasurer
FRED SCHMITTLER	.....	Secretary
JOHN STECZAK	.....	Publicity Chairman

The Industrial Arts Club's primary function is to develop professional growth in each of its members. In developing this growth, the club annually sponsors field trips to study industry, attends professional conventions, and holds a programmed meeting each month. In addition, the club awards a cash scholarship to the junior student deemed most outstanding, and also recognizes an outstanding senior each year.

In the Open Exhibit of the Industrial Arts Department, other awards are presented for superior work that has been constructed throughout the year.

*Seated, Left to Right: Mr. G. T. Lilly, Johnny Jones, Mr. Clifton Lemons. Standing: Fred Schmittler, Charles Sens, Bill Garrard, John Steczak.*

## INDUSTRIAL ARTS CLUB

Mechanical skill and patience is required of the industrial arts major.

The Student Affiliates of the American Chemical Society is a program of the American Chemical Society for the undergraduate students enrolled in course work leading toward a degree in chemistry or chemical engineering.

The purposes of the organization are to provide an opportunity for members to hear guest speakers who are experts in various phases of science or related subjects; to provide an opportunity to develop leadership through the planning and execution of chapter activities; and to provide a chance to develop a professional spirit and pride in the field of chemistry.

S.A.A.C.S.

# VETERAN'S CLUB

## OFFICERS

J. B. YONTS .....	President
MIKE REDDISH .....	Vice President
RONNIE MOBREY .....	Secretary
BUDDY PERRY .....	Treasurer

The Veterans Club of Murray State College has as its main goal—adjustment. This is adjustment of the ex-servicemen to college life.

The club annually sponsors the "Red Towel Dance" after the home Murray and Western games.

As an organization, this group participates in intramural sports and assorted campus activities.

Spring semester president Ron McCool presents a traditional red towel to club sweetheart Mary Ann Simpson.

The weekly devotional service provided by the Baptist Student Union presents spiritual enlightenment to Baptist or Baptist preference students.

# BAPTIST STUDENT UNION

## OFFICERS

BILL COLLIE .....	President
CHARLES POWELL .....	Vice President
ELLEN ROSE MASON .....	Secretary
MR. JACKIE FORTUNE .....	Director

The Baptist Student Union is an organization for Baptist and Baptist preference students in institutions of higher education. It seeks to promote spiritual development through devotional services, discussion groups, mission projects, sacred music and social activities.

The Executive Council for the 1964-65 school year.

Recreational facilities such as ping pong are offered by the BSU.

## WESLEY FOUNDATION

The Wesley Foundation is a unified ministry of The Methodist Church to the total college community. The Wesley Foundation seeks to explore the relationship of Christianity to the various facets of culture expressed within college life. Experimentation, not rigidity, is the attitude of The Wesley Foundation in its efforts to express the Christian faith in relevant terms. Those persons who are concerned about injustice, the loss of personhood, and the problem of faith in culture will find an ally in The Wesley Foundation.

*Seated, Left to Right:* Landean Travis, Thena Cullen, Ronald Smith, Nina Gregory, and Mary Wharey. *Standing:* Ann Vincent, Isabel Perez, Pat South, Carol Wolfe, Saralyn Ingram, David Carlton and Rev. Donald Moorehead.

These students found a place for worship and service.

## COLLEGE CHURCH OF CHRIST

# NEWMAN CLUB

## OFFICERS

WALTER STEFANSKI .....	President
THOMAS HUBER .....	Vice President
CARLA GREENWELL .....	Corresponding Secretary
DONNA SERMERSHEIM .....	Recording Secretary
DON GREENWELL .....	Treasurer

The Newman Club of Murray State College is organized to provide religious education and assistance for Catholic students. During this past year, the Newman Club has moved into its new Catholic student center, Gleason Hall, at Twelfth and Payne Streets. The Newman Club has a threefold purpose: religious, intellectual and social and it attempts to present a varied program to achieve these ends.

The Murray State Newman Club in its meetings strives to give the students interesting speakers, religious education and social activities. The Newman Club welcomes all students and encourages participation in all campus activities. The Newman Chaplain is Father Martin Mattingly and the faculty advisor is Dr. Pete Panzera.

*Seated, Left to Right: Walter Stefanski, Donna Sermersheim, Carla Greenwell, and Thomas Huber. Standing: Dr. Pete Panzera, Don Greenwell, and Father Martin Mattingly.*

The Student National Education Association is the pre-professional association for college and university students preparing to teach. A member of Student NEA is a student member of the state education association and the National Education Association, with all the rights, privileges, and responsibilities of associate membership in these professional associations.

The responsibility of the Student NEA program to its individual members is to provide opportunities for personal and professional growth; development of leadership skills; understanding of the history, ethics and programs at state and national levels; and participation in professional activities at local state, and national levels.

# SIGMA PI SIGMA

Sigma Pi Sigma is the only national physics honor society. Its chapters are restricted to colleges and universities of recognized standing which offer a strong physics major.

Students elected to membership must attain high standards of general scholarship and outstanding achievement in physics, and show promise of professional merit. Membership is conferred upon no basis of selection other than scholastic or professional record.

# EUCLIDEAN MATHEMATICS CLUB

The Euclidean Mathematics Club is made up of outstanding students in mathematics who are eager to further their education in areas of mathematics and applied fields not covered in the classroom. In the past the programs have varied from student presentations to visiting lecturers from different parts of the country. Club meetings, parties, and other activities help foster a closer relationship among the members. Also, an annual award is presented by the club to the outstanding senior in mathematics.

# CANTERBURY COUNCIL

The M.S.C. Canterbury Club is a fellowship sponsored by the Protestant Episcopal Church in America as a part of the world-wide Anglican Communion.

The purpose of Canterbury Club is to draw all Christians together—to heal the breach dividing those seeking a common goal. In this effort, the fellowship is particularly concerned with those involved in the higher education of our country—students, faculty, and administration.

# PSYCHOLOGY MAJOR'S ASSOCIATION

The Psychology Majors Association is an organization for students who are majoring or minoring in the field of psychology.

The purpose of the association is to advance the science of psychology, and to encourage, stimulate, and maintain scholarship of the individual members in all fields, particularly in psychology.

The association was organized with the expectation of petitioning Psi Chi, the National Honorary Society in Psychology and an affiliate of the American Psychological Association. The chapter at Murray State College will be initiated into Psi Chi during the spring of 1965.

# DRAMATICS

Murray State College's Children's Theatre in the fall of 1964 presented "Beauty and the Beast," a story of a mute dwarf by Jesse Beer. "The Bald Soprano" and "The Lesson" were also presented. These latter two works were theatre-of-the-absurd creations by Frances Eugene Ionesco.

The Spring production was "The Aspern Papers." Once again quality performances were given by the Dramatics Department.

A highlight of the "Beauty and the Beast" was the freeing of the mute dwarf.

The good witch, Sybil, casts a spell over two actors in a Children's Theatre production.

# INTERCOLLEGIATE DEBATE

Each year all of the colleges of the United States agree on a debate topic for the year. From September to April research is concentrated in this area. The material is organized, and each debater and team works to excell over his opponents in knowledge, rhetorical skill, and effectiveness in responsible speaking. This kind of training for future leadership in the nation and the world is Intercollegiate Debate.

This year the seventeen members of the Murray State debate squad took part in approximately one hundred twenty-five intercollegiate debates; spoke before twenty high schools of Tennessee and Kentucky; sponsored an on-campus debate workshop for area high schools, and an International debate with a team from Oxford. About ten thousand people listened to Murray State debaters in action. The college program is directed by Professor J. Albert Tracy, and is recognized as one of the best speech-training programs in the nation.

Members of Murray State's Debate Squad register collegiate debaters for the Old Grey Mare Tournament.

Martin Tracy presents the championship trophy to Bellarmine's debaters.

Three of the preliminary judges are surrounded by the trophies as the meet gets underway.

Bellarmino College was the winner of this year's Old Gray Mare Debate Tournament.

Vince Aprile and Bill Dotson defeated Bill Avera and Cully Clark of Emory University in the final round of the debate.

Martin Tracy of MSC was one of 10 debators who received a certificate for being an outstanding speaker.

Judges for this year's event were Mr. Vernon Anderson, Dr. C. S. Lowry, and Mr. Don Pace.

## OLD GREY MARE DEBATE TOURNEY

# MUSICAL ACTIVITIES

The MSC Music Department provides valuable training for professional musicians and teachers of music, and also provides outstanding cultural events for the campus and surrounding area.

The Marching and Symphonic Bands continue to thrill and excite MSC students at ball games and concerts. The A Cappella Choir still wins acclaim as one of the best choirs in the South. The String Orchestra and Symphony Orchestra also give regular professional-quality concerts.

Public appearances of these groups has gained widespread publicity for MSC.

Professor Baar points out some changes in some musical selections to a group of voice majors.

Familiar to all MSC students is the Marching Band's high-stepping entrance at halftime.

# MUSIC

A major activity at Murray State College is music. Through the various groups and organizations, the music department provides a wide variety of musical experiences for Murray State College students.

Groups such as the Marching Band, Concert Band, Symphonic Orchestra, String Orchestra, Brass Choir, and A Cappella Choir furnished the college and surrounding area with high caliber music programs.

Through concert performances and tours, the groups from the music departments are "ambassadors of goodwill" for Murray State College.

Mr. Leslie Putnam, professor emeritus of music, presents a music scholarship to Anna Brown Long for outstanding music ability.

A familiar sight to Murray State College students is seeing Professor Paul Shahan, Director of Bands, on the practice field with the Marching Band.

All eyes are centered on the sheet of music as Professor Carl Rogers gives instructions.

David Babbs appears to be "lost in his work" as he practices a difficult arrangement.

A group of interested students gather around as Bobby Boyd practices playing the organ.

Hours of practice are familiar to the music major as the Concert Hall is almost always filled with practicing students.

Murray State College's A Cappella Choir.

The 1965 *CAMPUS LIGHTS* was opened with "Most Unusual Day" song and dance routine.

## CAMPUS LIGHTS

*Campus Lights*, 1965, which was directed by Larry Wyatt, featured the exploits of a juvenile delinquent who made good as a singer in Hollywood. Keith Strauss was outstanding in his role as Tom Drake. Other notable performances were by Don Whitis as Officer Krupke; Gary Bell as Colonel Drake; Sandi Stinson as Maria; and Bill Runyan as Belvedere, Jill Burkel and Allen Henson deserve a "hats off" for their jobs as choreographer and choral director. Superior casting, lighting, and staging helped to make this year's edition of *Campus Lights* one of the most memorable of recent years.

Colonel Drake provides the audience with many laughs with his role as Tom's drunken plantation descendant.

The grand finale draws this year's outstanding production to a close.

Tom Drake's problems were worsened by the continuous appearance of Officer Krupke.

Esmiralda, the gypsy mother, foresees Tom's successful future by gazing into her mystical crystal ball.

Spasmodic Belvedere takes dictation from the director prior to Tom's highly successful audition.

The colorful costumes of the Murray Men added zest and sparkle to the gypsy scene.

The Reserve Officer Training Corps at Murray State serves as one source of future reserve officers to serve in the United States Army. The two-year ROTC program is compulsory and serves a worthwhile purpose. It is on the drill field that a cadet obtains self-confidence and poise which will be of service to him regardless of his military aspirations.

## MILITARY SWEETHEARTS

JUDY BLANTON  
Ranger Sweetheart

ANDREA SYKES  
Pershing Rifles Sweetheart

Cadet Major Bill Boyle presents Miss Armor, Sheri Jones, to the assembled cadets and their dates.

## MILITARY BALL

The long-anticipated military ball, the highlight of all Military Science cadets, brings a pleasant change from the classroom or drill field. The cadets are proud and happy to put on the ROTC uniform and attend one of the biggest events of Murray State's social calendar. The great band, the formal dress, the beautiful decorations . . . all this holds an important place in the memory of the MSC student.

Mrs. Margaret White is presented a bouquet of roses on behalf of the advanced corps by Cadet Colonel Bob Harry.

The Grand March is a highlight of the Military Ball.

Cadets and their dates enjoy the music of Bill Pursell's orchestra.

1964-65 "Cadets of the Week"

# OUTSTANDING CADETS

Outstanding students are honored in the military science department by being named as "Cadets of the Week." In this effort, the department strives to promote a genuine interest and esprit de corps among military science students.

# FLIGHT PROGRAM

Through the supervision of the military science department, a flight training program was instituted for highly qualified advance military science students who are interested in flying as a career. The cadet, upon successfully completing 40 hours of training, becomes eligible to take an examination for his civilian pilot's license.

MSC's Flight Program Trainees.

Student pilot Ron Newcomer looks over his shoulder to get the go-ahead before takeoff.

Rangers, 1st Platoon

# RANGERS

The Rangers at Murray State College was the first unit in Kentucky to be organized under the U. S. Army's counter-guerilla training program.

Prerequisites for selection to the Ranger Company are a high scholastic average and a rugged physique. Once selected, a Ranger trainee undergoes intensive training covering the different phases of counter-guerilla tactics.

This special training together with mental stability and physical stamina are the prime ingredients in the making of a Ranger. It's a proud organization; each man has earned the right to wear the distinctive beret and be called a "Ranger."

## SCABBARD AND BLADE

The purpose of Scabbard and Blade is to unite in closer relationship the military departments of American universities and colleges; to preserve and develop the essential qualities of good efficient officers; to prepare its members as educated men to take a more active part and to have a greater influence in the military affairs of the communities in which they reside; and, above all, to spread intelligent information concerning the military requirements of our country.

## PERSHING RIFLES

PERSHING RIFLES is a National Honorary Society founded in 1894 by General John J. Pershing. His objective was to promote a finer quality of drill and leadership among the Military Science cadets.

Since the beginning, the PERSHING RIFLE units have created a feeling of brotherhood in almost every large college and university from coast to coast.

Company G, of the Third Regiment, provides a color guard for football and basketball games. They also have

one of the finer Rifle Teams and "Crack Drill Teams" in the Regiment. For the past two years, Company G has held the distinction of being chosen Honor Company of the Third Regiment.

The Company also maintains an active Military Proficiency program, along with social and charity activities such as dances and an annual Christmas Party for the needy children of the area.

Pershing Rifles and their sweetheart, Andrea Sykes, entertain orphans at their annual Christmas party.

Athletics play a vital and important part in the life of Murray State. The school fields the winningest athletic program in the Ohio Valley Conference. But emphasis is not put just on winning, but on having a well-rounded and balanced program. Both varsity and intramural sports place premiums on developing both the body and the competitive spirit.

the athletics

Exhibiting their championship hardware are Johnny Reagan, baseball; Roy Stewart, All-Sports Trophy; Cal Luther, basketball; Chad Stewart, tennis; and Bill Ferguson, cross country.

## MURRAY STATE WINS SECOND ALL-SPORTS TROPHY

What makes a championship team? Is it hard work? Desire? Ability? Coaching? Champions combine all of these to come up with topflight performances.

At Murray State athletics is synonymous with winning. But winning does not make a real champion. A champion possesses great athletic abilities and a fiercely competitive spirit.

Championships are won after many painful hours of work on and off the athletic battlefield.

In 1963 the Ohio Valley Conference awarded its first All-Sports Trophy to the school with the finest all-around athletic program. Murray State won the initial award after dominating the spring sports.

In 1964 MSC again won the coveted award, winning

conference championships in cross country, basketball, tennis and baseball.

This award was not won by accident. It was gained through hard work on the part of the athletes, coaches, and the athletic director.

Instilling the winning spirit has been keyword at MSC.

Roy Stewart, athletic director, has built at Murray State one of the healthiest programs to be found anywhere. Through close supervision and undying devotion to MSC Mr. Stewart has given himself completely to the school.

He has served as coach of several sports while here and has developed some of the finest squads in this

Chad Stewart gave Murray State another championship tennis team in his final season as head coach.

area of the country.

Through a superb coaching staff the athletic history at Murray State has become almost legendary.

In 1964 Cal Luther produced the finest basketball team in the OVC, which went on to stop the sports world in its tracks when the little-known Racers held a 23-8 lead over powerful Loyola of Chicago in the NCAA playoffs.

In cross country Bill Ferguson has developed a perennial power, capturing the OVC title for three straight years before falling last fall. In track Ferguson again shines as he had won the conference track champion-

Timing to the split seconds is only part of Bill Ferguson's job as track and field and cross-country coach for Murray State.

ship six consecutive years.

Johnny Reagan has coached Murray State to five OVC baseball championships in his seven years as head mentor. The squad has won the title for the past two years and is touted as one of the best again this spring.

Chad Stewart in his final year as head coach of the tennis team came up with another champion for Murray State. The netmen upset favored Western Kentucky to win the title.

In golf, Coach Buddy Hewitt's charges finished second only to Middle Tennessee in the conference tournament. In the five years MSC has fielded a team there have been only three marks on the Racer slate.

And last, but certainly not least, Don Shelton has returned winning football to Murray State. Last fall the squad came through with its first winning season since 1956.

It is through the hard work and patience of these men that MSC has developed champions both on and off the field.

Coach Cal Luther produced the winningest team since '43 with what was supposed to be a "rebuilding" team.

Johnny Reagan, center, congratulates George Dugan and Jerry Anderson, who pitched MSC to its fifth OVC championship under Reagan's coaching.

Murray State's football team which defeated Western Ky. in the last game of the season to gain a third-place finish in the Ohio Valley Conference.

## MSC POSTS FIRST WINNING SEASON

Murray State, in posting its first winning season since 1956, was one of the big surprises of the Ohio Valley Conference's football year. Picked to finish as low as sixth, the Racers upset favored Western Kentucky, 14-7, in the season's finale to gain a third-place tie with the Hilltoppers.

There were many stars for the Thoroughbreds. Charlie Forrest and Tommy Glover were named to the OVC's all-conference team on offense. John Wheeler, the loop's "Lineman of the Year," was selected for the defensive unit.

Forrest set several Murray State and OVC records for the season. The speedy quarterback rolled up 1,565 yards of total offense, a new MSC and conference mark. He broke Tony Fioravanti's school record of touchdown passes as he connected on 11 scoring passes.

The versatile gridder was second in the OVC's scoring race and was only 80 yards short of Fioravanti's passing yardage standard as he passed for 975 yards.

Glover, the OVC's rushing king, set two school marks. The hard-hitting fullback picked up 697 yards this sea-

son, breaking Carl Walker's mark of 667. Walker's career rushing mark fell also as Glover compiled 1,769 yards in three years.

Wheeler was named to the all-conference unit for the second year in a row. His fine play from his linebacker position netted him the OVC's "Lineman of the Week" once and the Associated Press' "Kentucky College Player of the Week" once.

Dennis Jackson set another mark this season as he caught five passes for touchdowns.

### MURRAY STATE 26, EAST TENNESSEE 14

Charlie Forrest raced for a 67-yard touchdown on MSC's first offensive play of the season to lead the Racers to a 26-14 upset victory over the East Tennessee Buccaneers. Forrest later passed to end John Watson for Murray's second score. Tommy Glover scored on a 10-yard punch through the line in quick succession but Glover iced the game with a 17-yard touchdown late in the contest.

Charlie Forrest finds the Tennessee Tech interior line too tough to cope with as Eagle tacklers converge on him.

## SINCE 1956

### AUSTIN PEAY 26, MURRAY STATE 10

Austin Peay's surprising Governors outfought a listless group of Racers, defeating them 26-10 in Murray's first loss of the year. A Charlie-Forrest-to-Terry-Croom pass gave MSC its first score of the game midway in the first half. Forrest then added a 28-yard field goal. The Govs struck back in the third quarter to put the game away. Quarterback Carlton Flatt led the APSC attack, rushing for 48 yards and passing for 83.

### MURRAY STATE 6, EASTERN 6

Plagued by a bad playing field partially covered with water, the Racers pushed over a late fourth-quarter score to tie Eastern Kentucky, 6-6. Fleet halfback Dennie Jackson took in a Charlie Forrest pass with a spectacular catch. Forrest's kick was wide and the Thoroughbreds settled for a tie.

## MOREHEAD 17, MURRAY STATE 14

Murray State lost its second OVC game of the year to a favored Morehead ball club after the Eagles jumped out to a 10-0 lead midway in the first half before the Racers could score. Vic Kubu tallied just before half-time cutting Morehead's lead to 10-7. Early in the final

period the Racers gained the lead when versatile Charlie Forrest scampered 28 yards for a touchdown. The Eagles did not give up and marched 66 yards to pick up a touchdown and the extra point.

## MURRAY STATE 32, MARTIN 14

Glover and the pinpoint passing and elusive running of quarterback Charlie Forrest, Murray State crashed the University of Tennessee Martin Branch, 32-14. Linebacker John Wheeler was the defensive standout in the game. Forrest romped 56 yards for Murray's first touchdown and passed to end Jerry Grantham for the Racer's second. Forrest hit halfback Terry Croom for a 15-yard scoring pass just before halftime to make the score 20-0 Murray. Dennis Jackson, utilizing his blazing speed, picked up both of the Racers' second-half scores on long touchdown passes.

#### MURRAY STATE 28, TENNESSEE TECH 21

Murray State copped its first Homecoming victory

Football is a game of contact as evidenced by this vicious gang-tackling of the Racer defensive unit.

since 1956 stopping winless Tennessee Tech, 28-21, before a capacity crowd. Fleet Dennis Jackson caught two passes for touchdowns to lead the Thoroughbred onslaught. He scored on plays of 62 and 31 yards. Fullback Tommy Glover added two more to give the Racers their long-awaited win.

#### ARKANSAS STATE 17, MURRAY STATE 8

Two third-quarter touchdowns by Arkansas State, one of the top small college teams in the nation, spelled defeat for MSC in their seventh game of the season. Held to a 3-0 halftime lead, the Indians struck back with touchdowns on a 15-yard pass and a three-yard run.

Cheaney again meets with that same A-State back and again Cheaney comes out the winner.

Defensive specialist Clyde Adkins hangs on to Arkansas State fullback as Jerry Grantham and Tom Cheaney come to the rescue.

Forrest crossed the goal-line from the three midway in the final period and then hit end John Watson with a two-point conversion pass to put the Racers on the scoreboard.

#### MIDDLE TENNESSEE 14, MURRAY STATE 12

Two missed field goal attempts in the fourth quarter killed all Racer hopes of upsetting conference champions Middle Tennessee 14-12. The Raiders scored first in the third quarter. Murray halfback Vic Kubu took

the ensuing kickoff in and returned it 94 yards to put the Thoroughbreds within two points. Middle Tennessee scored in four plays but the Racers came back to score three plays later. Two field goal attempts were futile and the Racers were faced with a possible losing season.

#### MURRAY STATE 48, PARSONS 32

homecoming crowd but the MSC Racers had some fireworks of their own. Halfback Tom Giannini scored first on a 64-yard run. Then Charlie Forrest hit Wayne Wilson with a 30-yard scoring pass. Wilson later added another on a 59-yard pass play. Freddie White scored on an 18-yard pass play and John Bryant and Tommy Glover also scored to account for the Murray total.

#### MURRAY STATE 14, WESTERN 7

The sweetest football victory in years was MSC's avenging conquest of Western Kentucky. The Racers exhibited some of the finest football in years as they downed the Hilltoppers, 14-7. Charlie Forrest scored first for MSC on a 13-yard run through the Hilltopper line. He added the conversion making it 7-0. Stan Napper tied the game when he took in a halfback pass from Pat Counts. Forrest scampered 40 yards for the Racers' second touchdown. Defensive specialist Clyde Adkins was the star of the game as he picked off three Western passes.

# RACERS FINEST SEASON SINCE '43

Murray State's gallant Racers, after losing their first three Ohio Valley Conference games, fought back brilliantly and were not counted out of the race until late in the season.

While posting a 19-7 record, their finest regular-season mark since 1943, the Racers won the OVC Christmas Tournament and were runners-up in the Sun Devil Classic at Tempe, Arizona.

Two members of the team were selected for all-conference honors. Stewart Johnson and John Namciu were named to the all-star squad.

For the season Johnson and Namciu tied for scoring with 20.0 average. Johnson finished second in the conference in rebounding with an average of 14.1 per game.

Sophomore Herb McPherson was right behind Johnson and Namciu with an average of 18.6. McPherson was second only to Johnson in rebounding.

Guard Bennie Goheen was the top shooter on the squad with a shooting percentage of .529. The quick and agile senior was the fourth member of the team to average in double figures as he scored an average of 10.4 points per game.

Top productions for the season included Johnson's 34 points against Arizona State and McPherson's 34 against Western Kentucky.

Johnson's top rebounding figure was 24 which he collected against Austin Peay.

The season started on a victorious note as the Racers stopped small college power Arkansas State, 73-71. For the next two games Murray State went on the road meeting tough Canisius and Bradley. After being behind by 10 points the Thoroughbreds rallied back to stop the New York team in an upset, 92-81. Two nights later at Peoria, Ill., the Racers gave Bradley all the com-

Murray State's 1964-65 varsity basketball team which compiled a season's mark of 19-7.

JOHN NAMCIU  
STEWART JOHNSON

Stewart Johnson tips in a rebound in Murray's victory over Oglethorpe University in the early season.

A driving layup by Gene Pendleton nets two points against OVC foe Austin Peay.

With arms flying everywhere Herb McPherson and Gene Pendleton battle with two Middle Tennessee players for a vital rebound.

petition they wanted before falling 76-74 in a close battle.

Then just before Christmas, the squad took two more games by beating Oglethorpe, 74-66, and New Mexico State, 72-69.

Traveling to Tempe, Arizona, the squad defeated powerhouse Texas Western, 65-58, in the opening round of the Sun Devil Classic. The next night, MSC fell to Arizona State 107-96 in the championship game.

Named as the "Most Valuable Player" of the tournament was Murray State's Stewart Johnson.

Flying back to Louisville the team met the OVC's pre-season favorite Morehead in the first game of the conference tourney. After completely dominating the first half the Racers coasted by the Eagles, 89-82, after a late Morehead rally.

After nipping Tennessee Tech in the semi-finals, 79-75, the Thoroughbreds met Western Kentucky in the championship game.

HERB McPHERSON BENNIE GOHEEN

GENE PENDLETON

BUTCH HILL

MARK GRAHAM

Herb McPherson outfoxes the OVC's "Player of the Year," Clem Haskins, as he drives in for a two-pointer.

The Hilltoppers put up a good battle but could not keep up with Murray State's fast-breaking offense and Bennie Goheen's and Gene Pendleton's hot hands as the Racers won, 77-68.

Starting off their conference slate the Racers again played Western. This time the tables were turned and MSC lost in an overtime, 71-70, at Bowling Green.

A two-game road trip into Tennessee proved disastrous for Murray State as the Racers lost to East Tennessee, 69-68, and Tennessee Tech, 93-91.

Then the team rebounded, winning six straight games. First came Eastern, 86-84, and Austin Peay, 97-75. After knocking off non-conference foe Centenary, 93-76,

Herb McPherson scores two more points against Arkansas State as All-America Jerry Rook (40) tries to stop him.

Dwight Smith of Western sticks his arms in the air after the referee catches him fouling John Namciu.

the Racers thumped Middle Tennessee, 90-76, and Tennessee Tech, 92-79.

East Tennessee then came to town and the Racers gained revenge, stopping the Buccaneers, 85-71.

Leaving on a crucial road trip with league-leading Eastern Kentucky and fast-improving Morehead the team knew it had to win both to stay in contention for the conference title.

After being blasted by Eastern, 103-73, the badly shaken Racers fell to Morehead, 78-69, ruining all hope of retaining the OVC title they won in 1964.

The squad finished out the season with five consecutive victories.

John Namciu drives in for two points as New Mexico's Jim Tillman moves out of his way to avoid the foul.

Stewart Johnson gets the tip against Middle Tennessee to open the game to Murray's advantage.

Laying in the basketball gives Herb McPherson two points and a free throw after Oglethorpe's Doug Alexander lands on him.

Quick guard Bennie Goheen goes in all alone after another of his brilliant steals.

Looking more like a football game, action gets rough in the Murray State-Middle Tennessee game.

RICK MILLER

EDDIE FORD

GARY QUINT

KEITH LAMBERT

Austin Peay lost, 96-89; Loyola in New Orleans was the next victim on Murray's list. The Louisiana team succumbed to the Thoroughbreds, 83-73.

Middle Tennessee was the next victory. The Blue Raiders gave the Racers a run for their money before losing in the final seconds on McPherson's jump shot, 91-89.

NIT-bound Western Kentucky came to Murray with visions of glory but found the Racers too tough for them as the Hilltoppers went down, 103-91.

In the season's finale Morehead was defeated by Murray State by the score of 84-75.

Five seniors played their last game of their careers for Murray State in the Morehead game. John Namciu, Gene Pendleton Bennie Goheen, Butch Hill, and Mark Graham bowed out in the contest.

The season was one of the most enjoyable ever at Murray State. Termed a "rebuilding" team the gallant squad produced one of the finest efforts in Murray State athletics.

Battling under the boards for rebounds are Elton Hall, Rick Goddard, and Bill Norris as Roger Fields looks on.

## FROSH POST

### 12-3 MARK

Finishing the season with a 97-90 victory over the Western Kentucky freshman team, the Murray State yearlings posted a 12-3 record.

Led by the Mutt and Jeff antics of 5-10 Leonard Poole and 6-9 Dick Cunningham, the team earned a spot as one of the finest freshman teams in Murry State's athletic history.

Poole averaged 23.3 points per game, scoring 36 in both of his last two games.

Cunningham, second in scoring with an 18.1 average, was the top rebounder with an average of 21.7 rebounds per game. Cunningham took in 35 deflections in his last game of the season.

Other basketballers who looked like top varsity prospects for the coming season were Larry Lilly, Rich Goddard, Craig Roeder, Bruce Brackman, and Roger Fields.

The team took runner-up honors in the Sweetheart Tournament at Henderson, falling to Tennessee Tech in the finals.

Capturing victories over tough Paducah Junior College, Tennessee A and I, and Southern Illinois were the highlights of the frosh season.

The 1964-65 Murray State Freshman squad.

Leaping Leonard Poole, the team's top scorer with a 23.3 average, drives in for another layup.

Bruce Brackman comes flying through the air in pursuit of loose basketball as Dick Cunningham blocks out opponent.

Larry Lilley struggles to put the ball up and in as Dick Cunningham and Chaig Roeder wait for the rebound which never came.

# BASEBALL SQUAD RETAINS OVC TITLE

In winning their second consecutive Ohio Valley Conference baseball championship, the Murray State squad posted a season's record of 16 wins against 10 losses.

The Racers won nine of 12 conference games earning them a spot in the championship playoff against Morehead.

The Thoroughbreds took the first two games of the best two of three competition behind the fine pitching of George Dugan and Jerry Anderson.

For the season Dave Darnell and Ron Anderson led the Racers at the plate. Darnell posted a .323 batting average to top the team in that department. Anderson with an average of .310 was second in batting, but led the team in home runs and doubles with six of each.

Dugan was the team's top pitcher. The diminutive southpaw had an earned run average of 1.61 for the season while earning a 7-1 won-lost record.

Jerry Anderson was second with a ERA of 1.80, and finished with a 5-2 record for the season. Ron Anderson led the team in hits, stolen bases, and RBIs.

At the end of the season, five members of the team were named to the all-conference team. They were Ron Anderson, shortstop, David Boyd, second base, David Darnell, catcher, George Dugan, pitcher, and Ken Maziarra, outfield.

A tight play at first finds Austin Peay runner safe after a short dragging bunt.

Murray State players mob each other after winning the second consecutive Ohio Valley Conference baseball championship.

Bill Bowen (left) was awarded the "Most Valuable Tennis Player" trophy for the 1964 season by Weldon Grimsley, sports editor of the *Paducah Sun-Democrat*.

## NETMEN COP OVC

The Murray State tennis squad finished the 1964 season with the finest record ever posted by a Thoroughbred team.

En route to the Ohio Valley Conference Championship, the netmen won 18 matches while falling to only two opponents. The Racers lost only to Louisiana State University and Western Kentucky, a team which Murray defeated later in the season.

The squad was led by Bill Bowen who played in the number-one spot all season and capped his career finishing in the runner-up spot in the OVC's top spot.

Charles Champion, number two, Henry Baughman, number three, Mike Barnes, number four, Pat Bryan, number five, and Chuck Close, number six, filled the Racers' other individual spots at the conference match.

In doubles Bowen and Baughman teamed up to take conference honors at the number-one spot. Close and Barnes took the number-three doubles title.

The season marked the last year that Chad Stewart would serve as coach for the Murray State tennis team. The OVC championship was a fitting tribute to a job well done by one of the finest gentlemen in athletics.

Charles Allen, named as the "Most Valuable Player" on the Racer track team, speeds to one of his many victories of the season.

## RACERS' SIX-YEAR TRACK REIGN ENDED

Freshman Reginald Long breaks the tape for victory in his specialty, the 440-yard dash.

Beginning the season with what looked like another Ohio Valley Conference championship team, Coach Bill Furgerson found before the year was out that Murray State's six-year reign over OVC track and field had ended.

After posting impressive early-season victories the Racers fell to Western Kentucky in the Ohio Valley Conference Track Meet held in Murfreesboro, Tennessee in May.

The year had several high spots, however. Bob Doty won the 100-yard dash in a dual meet with Western in a blistering time of 9.5 seconds, setting a new MSC record.

Jack Haskins broke the school javelin mark with a toss of 192 feet and six inches. Tom Cockcroft, finished second, also eclipsed the old record.

Hurdler Charles Allen set a new record in the 120-yard high hurdles as he covered the distance in 14.4 seconds, four-tenths of a second under the old mark.

Freshmen Jim Yost and Ed Scullion dominated the distance events, as both set new school marks. Yost ran the two-mile in a time of 9:35.9. Scullion ran the mile in 4:16 to shatter the old record.

Reginald Long set a new 440-yard dash record as he ran the quarter-mile in 48.6 seconds.

Dennis Jackson hands the relay baton off to another man, Bob Doty, as the Racer 440-yard relay team sprints to another record-setting victory.

Pole vaulter Wendell Webb strains every muscle in his body to clear the bar set at 13 feet.

Jack Haskins lets fly with a winning toss of the javelin, an event in which he won the Ohio Valley Conference championship.

Owen Basham, exhausted and happy, throws back his arms in a gesture of victory in the 880-yard run.

# HARRIERS LOSE OVC CROSS-COUNTRY CROWN

After winning their last two meets prior to the Ohio Valley Conference Cross-country Meet, it looked as if the Racer squad would successfully defend their conference cross-country crown.

But despite a one-two finish by MSC's Giersberg and Bill Boyd, Murray fell to a disappointing third place behind Western Kentucky and Eastern Kentucky.

The squad finished the year with a losing season, its first in the history of the sport at Murray State.

Paced by freshmen and sophomores, the squad looked to next season for real strength and stability. Giersberg, Boyd, Thys Bax, Dan Needy, Bill Foulk, Ed Scullion, and Jim Yost would all be back for the coming season.

Murray State's cross-country team and Coach Bill Furgerson.

Coach Bill Furgerson presents Bob Giersberg and Bill Boyd with OVC trophies for finishing first and second, respectively.

Bob Giersberg, the OVC cross-country champion, set new stadium, school, and conference records this season.

Larry Mullen, finding himself in trouble, prepares to blast onto the green.

Lynn Newton drops the ball in the cup after a short putt.

There comes a time in every man's life when nothing goes right—especially in golf.

## GOLF TEAM PLACES SECOND IN OVC

In third place going into the final nine holes, the MSC golf team rallied to cop second place in the Ohio Valley Conference, paced by the fine play of Fred Lancaster.

Other members of MSC's fine team included Larry Mullen, Ted Hale, Gary Flowers, and Lynn Newton.

The team lost only one dual match all season. The

Racer squad fell to Evansville, a team which they later beat.

In the NCAA finals at Springfield, Missouri, in June the squad copped fifth place as Larry Mullen finished sixth individually for the tournament.

The Ohio Valley Conference runner-up golf team and Coach Buddy Hewitt.

The Kentucky Rifle League Champions.

## RIFLE TEAM

Rifle team captain Joe Davis is presented with a trophy for outstanding marksmanship.

The Murray State Rifle Team again won the championship of the Kentucky Rifle League by posting an 8-0 record in league competition and 18-0 over-all. The Racers were paced by All-American Bob Beard who continued to re-write the record books. Other members of the team were Joe Davis, captain; Dale O'Daniel, Gary Rundle, Susan Davis, Don Horlacher, Charles Hughes, and John Riley.

# CHEERLEADERS

When a team wins a conference championship, there are hundreds and even thousands of people to back the squad. But when the chips are down, there is always one group standing there fully supporting the squad—the cheerleaders.

At Murray State the cheerleaders plan pep rallies, bon fires, and “spirit” campaigns. It is this group of girls who guide the student body in the support of the Racer athletic teams.

FRESHMAN SQUAD—Kneeling, Left to Right: Pam Dallas, Becky Heflin, and Barbara Dowdy. Standing: Linda Schaefer, Beverly Anderson, and Judy Bailey.

VARSITY SQUAD—Kneeling, Left to Right: Sonia Oczypok and Marilyn Cohoon. Standing: Carol Hopkins, Linda Faye Edwards, Penny Catley, Hannah Mason, and Dian Dowdy. Standing, Back: Debbie Johnson.

# INTRAMURALS

Mr. Paul Roedell directed the intramural program this past year. Intramurals under his supervision had one of its most successful years.

Intramurals, one of the most vital parts of the campus' athletic life, enjoyed one of its most successful years at Murray State. The program which was directed by Paul Roedell offered competition in football, basketball, cross country, track, softball, swimming, volleyball, and bowling.

Alpha Omicron Pi successfully defended its intramural football championship. In basketball 57 teams entered eight leagues for the year's competition. Going into the playoff tournament, Alpha Phi Gamma, the Heads, and the SAACS looked like the teams to beat for the title.

In cross-campus Pi Kappa Alpha won both the open and the fraternity run. In bowling Alpha Tau Omega took top honors for the first semester.

The Women's Athletic Association sponsored competition in volleyball, badminton, basketball, and softball.

The program was swinging into full action going into the spring sports season with softball, volleyball, track, and swimming on the coming schedule.

The cross-campus competition is a rugged test of individual stamina. Fresh and energetic at the start, the competitors find the race longer than anticipated.

Football action proves to be demanding as Jimmy Dinola finds the interior line of the Ag Club rough going.

Billy Trunnel of the Happy Bunnies scores two points in their game with Alpha Phi Gamma in the playoffs for the intramural basketball champion.

Frank DeSheplo puts his foot into the ball as he drives Tau Kappa Epsilon back deep into their own territory in a fraternity game.

Ken Wray and Leslie Fowler are caught napping in this start in the swimming meet.

Joanie Schneider returns the ball in a WAA-sponsored volleyball game against Sigma Sigma Sigma.

## INTRAMURALS

Basketball is played rough and hard in the intramural program. Referee Tom Morrissey watches the action closely, watching for infractions.

Ken Russell rolls his ball towards another strike as his teammates peer on.

Joey DeSheplo waits for his blocking to form in the intramural football championship game with Springer Hall.

Jack Haskins and Augie Schiller come down with another rebound for Alpha Tau Omega in a fraternity league game.

College is many things—the most varied and complex of these is the myriad people who populate the campus. . . . **FRESHMEN**—who must become acquainted with the grueling, traumatic experience of registration, waiting in ubiquitous lines, leering professors, and upperclassmen. . . . **SOPHOMORES**—“A little learning is a dangerous thing” is evident when observing sophomores . . . one year down, only three to go and the best part is no longer being a lowly frosh, and the girls actually have 10 p.m. permission! . . . **JUNIORS**—the mid-way mark . . . joy in knowing the task is half over and the realization that college, although a lot of fun, means much hard work and graduation is within reach. . . . **SENIORS—AT LAST!**—but with a tinge of sadness and many fond memories . . . graduation is now a concrete, frightening reality—a hectic year . . . a busy, busy year . . . a year of saying goodbyes and a beginning of a new one as another class enters the annals of MSC graduates.

the classes

*Seated, Left to Right: Henry Simpson, Nancy Garman, Pearl Rutledge, and Richard Coons.*
